

Newsletter Autumn Term 2021 No 4

Dear Parents and Friends

The children this week will be listening to the story Where do Animals Live? Activities will then be planned around the thoughts and ideas from the children. The children will also have access to playing with Duplo in the construction area, printing with potatoes in the painting area, role playing doctors in the home corner, junk modelling on the creative table and size ordering on the maths table. In the Nature Explorers session this week the children will be making animal homes with Lisa.

In phonics this week the pre-school children will be looking in the sound box and the 2 and 3 year old children will be using their looking and listening skills by rolling a ball to their friends and saying their name.

The Star of the Week last week was Oscar D for having super manners, well done Oscar.

Thank you to all the parents that very kindly donated plant pots for the children to make animal homes with.

If you are looking for something to do on Sunday 3rd October, Lancaster will be having a Dino Day where you can see Rex the T-Rex and some of his friends. For more information please visit <https://visitlancaster.org.uk/whats-on/dino-day/>

The next pre-school committee meeting will be held after school on Wednesday 29th September 3.30pm. All parents are welcome to attend and as it is after school your children can stay too. If you have anything you would like adding to the agenda please speak to Katie.

If your child is starting primary school in September 2022 you can now apply for their place online, please visit <http://www.lancashire.gov.uk/schools> to do so, the closing date is 15th January 2022.

Please can all outstanding Data Collection forms be returned to pre-school ASAP. Please note, new starters will not have to complete a form, thank you.
